- h. **CS TRACKER:** - **CS TRACKER** is a technology interface which facilitates settlement of levies & the short/excess quantities of the traded commodities as well as premium and discount on the commodity grade.

Terms & Conditions:-

1. All the transactions, contracts, deals and trades for sale/purchase of Chana of the variety as notified herein by the Exchange entered into through the Automated Trading System of the Exchange shall be governed by the terms and conditions stipulated herein below and any further terms and conditions as may be specified or informed by the Exchange from time to time.
2. The location for delivery pursuant to trades on the Exchange shall be at INDORE.
3. The Seller shall, through the trading member, offer and the Buyer shall, through the trading member offer, respectively, to sell and to buy Chana of quality and details as specified in the contract specifications herein on the automated trading system and the Seller as well as the Buyer shall be bound by all the terms and conditions stated herein and also by the Rules and General Terms and Conditions notified by the Exchange.
4. Trade would occur on the Exchange trading platform whereby buy and sell orders are matched on price-time priority and on any other parameter/s put in place by the Exchange from time to time.
5. The net open position at the end of trading hours shall have to be settled by giving and taking delivery of the commodity traded.
6. The Buyers/Sellers shall be permitted to square-off their sell or buy positions during the day.
7. The Sellers or Buyers who are not registered as members of the Exchange can trade by putting their orders through a registered member of the Exchange.
8. The members can give quotes on his own behalf or on behalf of clients for different quantities through out the trading hours.

9. The member shall be permitted to modify the buy/sell quotes till the time of matching on the Exchange trading platform.
10. During the stipulated trading hours, a member shall not be allowed to put in a sell order in excess of his Net Buy Open Positions + Free warehouse balance.

Free warehouse balance is calculated by using the below formula

Quantity Locked	xx
Less: - Qty already traded	xx
Less: - Open Sell orders	xx
Less: - Withdrawal requests	xx
<hr/>	
Free Warehouse Balance	XX

11. Margins shall be charged on the net buy positions only and shall get released online when a buy position is squared off.
12. Net open sell or buy positions shall be calculated at the client level for each member.
13. Short selling of commodities shall not be allowed on the trading platform.
14. An advance payment of 10% of the purchase order value shall be charged from the Buyer. The percentage of advance payment to be taken from the Buyer shall be as deemed and decided by the Exchange and shall also be subject to revision at the discretion of the Spot Exchange.
15. No advance payment shall be charged from the seller

16. Time for trading :-

Monday through Friday 11:00 AM to 07:30 PM (IST)

Saturday 11:00 AM to 02:00 PM (IST)

All timings are as per Indian Standard Time. No trading shall take place on any day which is declared as holiday by the Exchange at its absolute discretion. The Exchange reserves the right to suspend or stop trading at any time at its absolute discretion.

17. Unit of Trading & Unit for price Quotation:-

- Offers for sale & purchase can be made in lots of 10 MT or multiples thereof.
- The unit of price quotation shall be Rs per/quintal
- The orders/trades will be on ex-warehouse basis and will be quoted on the basic rate basis i.e. exclusive of all taxes/levies/duties.

18. All outstanding orders will be cancelled at the end of the trading hours.

19. There will only be one type of order – Limit order.

Seller/Depositor .

1. Only those depositors who have deposited the Chana into the Exchange accredited warehouses and whose quality is in accordance with the specifications prescribed by the Exchange from time to time may sell Chana on the Exchange platform.
2. When the Seller deposits the Chana into the Exchange accredited warehouse, the same will be subject to visual inspection, inspection as to the soundness of packing etc. by the warehouse and upon being satisfied of the nature and sound packing of the commodity, the warehouse shall issue Deposit Acknowledgment Slip (DAS) and shall process the deposit of the commodity. The goods shall be subjected to assaying and only upon the goods being certified as accepted within the specified norms of quality mentioned in the contract specification, the warehouse shall

accept the goods for storage. The DAS shall be valid till the assaying report is received by the warehouse.

3. Upon completion of assaying process and successful certification of the goods, the Commodity shall proceed to entry into CMS as electronic credit.
4. The details of the deposit will have to be entered into CMS (Commodity Management System) by the accredited Warehouse.
5. Seller shall ensure availability of Kantawala Chana equivalent to the quantity of Kantawala Chana to be traded, in the Commodity Management System (CMS) put in place by the Exchange prior to entering sell order through the trading platform and shall electronically lock the same in the CMS.
6. The Seller Member shall lock the lot intended for sale as deposited by the Warehouse.
7. Failure to deposit & lock in sufficient quantity of Kantawala Chana as aforesaid in the Exchange delivery system would result in rejection of sell order when placed through the automated trading system. The Seller Member shall place the sell order after getting online confirmation in the CMS about the lock-in of the quantity.
8. Seller may unlock any quantity of Chana prior to execution of trade on any given day and may request release of goods if deposited in the CMS.
9. Seller may modify his price from time to time or withdraw the offer before any order is matched with any Buyer as per process put in place by the Exchange.
10. The warehouse shall have to be informed by the Member regarding any withdrawal of the goods.
12. The member /member's representative (whose details is created in the CMS) can take the physical delivery of the requested quantity of Kantawala Chana from the warehouse on presentation of necessary proofs.

13. **Undertaking from Depositor:** Every depositor shall have to provide an undertaking in the prescribed format to the Warehouse at the time of deposit to the effect that:

- The DAS/s issued is/are for the limited purpose of entry into CMS for trading on the Exchange platform.
- The depositor can withdraw the goods only as per process of withdrawal through member and warehouse in the CMS.
- The goods deposited by him are not under any lien or encumbrance.
- The goods being deposited are owned by the depositor or the depositor has complete legal authority to sell and transfer the goods

14. Warehouse shall issue a lot no. to the Seller for every tradable lot which is deposited.

For eg :- if a depositor has brought in 30 MT of Chana, then the warehouse shall issue 3 separate e-deposit as lot no. to the Seller on net quantity after deducting standard allowance as mentioned in the contract specifications.

15. **Withdrawal of non-traded goods:** Withdrawal requests for the free balance of commodity can be placed online. If the depositor wishes to withdraw the goods from the warehouse in any of the following stages,

- a. after e-lot credit and before lock-in in the CMS,
- b. after lock-in of the quantity of goods and till the time there is no sell order placed on the trading system of the Exchange by the member concerned on behalf of the depositor,
- c. after lock-in and partial sale of the locked-in quantity, the remaining quantity is sought to be withdrawn, then the depositor shall have to follow the process for release of commodity through the CMS system only.

Currently, as per the system put in place,

- a. the depositor has to place a “Withdrawal Request” through his Member CMS module for processing.
 - b. The depositor has to then submit his photo id, signature proof along with the lot details through CMS
 - c. Upon verification and satisfaction by the warehouse, the requested withdrawal quantity will get released through the CMS member module as per process put in place
16. a. The seller should ensure that the Chana delivered on the exchange platform is mandi tax paid and necessary anugya patra which acts as a documentary proof for payment of mandi fee should be retained.
- b. The seller client has to submit the anugya patra to the warehouse as a proof of mandi tax paid goods for fresh deposit.
17. Sellers on the Exchange platform shall ensure that they have necessary
- a) Local sales tax registration of the particular State.
 - b) Local mandi registration license.

Buyer.

1. Buyers shall, before putting in an order through the automated trading system, make an advance payment of such amount as prescribed by the Exchange from time to time in respect of the quantity of Chana proposed to be purchased. The buying member before placing an order shall ensure that funds towards such advance payment are transferred through payment gateway to the settlement bank account of the Exchange. In the event of shortage of funds, the buy orders will be rejected in the system.
2. The Buyer shall be entitled to visually inspect the stock at the accredited Warehouse.
3. Buyer can modify quantity and price quoted or may also withdraw any order before the order is matched /executed on the automated trading system

4. After the matching of quotes, the Buyer shall make available the balance amount (ie total obligation less advance payment already made) payable towards the net purchase consideration in the Exchange settlement account on the T + 2nd day. The time for payment on T+2nd day shall be 11.30 am (*pls see Annexure 2 for time & activity flow for trading & settlement*)
5. Any Buyer shall, for removal of Chana from the warehouse, contact the warehouse and arrange for such removal / delivery.
6. The Buyer shall have to take delivery of the Chana from the accredited warehouse at the delivery centre either himself or through an authorized representative in the manner given below.
7. The profile of the Buyer/Buyer's representative will have to be created by the Buyer Member in the CMS in the manner provided, prior to taking physical delivery of Chana Grade from the accredited warehouse.
8. Buyer or the Buyer's authorized representative shall, on or after the T+2nd day, go to the Warehouse with necessary identity proof as per profile created in the CMS after intimating the warehouse. The Buyer's authorized representative shall have to carry a duly signed authorization letter of the Buyer at the time of taking delivery at the warehouse.
9. Documentary Proof' (Photo identity) to be submitted by the Buyer's authorized representative at the time of taking delivery of the physical goods (Any one of the below).

Passport
Driving License
Voters Identity Card
PAN card

10. Warehouse shall verify the identity proof submitted by the Buyer or his authorized representative with the proofs recorded in the CMS initially at the time of creation of the profile by the Buyer Member.
11. Buyer/Buyer's authorized representative & Warehouse shall confirm physical delivery in the CMS by registering the identity proofs in the manner provided.
12. Any reference as to contentions of difference in quality or quantity of the goods delivered shall have to be referred to the warehouse and the Exchange within 3 days from the date of settlement and the Exchange's responsibility with regard to settlement shall cease to exist after such period.
13. The Buyer may, through his buying member, before the matching/execution of his order, send his request for release of the funds any time through the system put in place by the Exchange and the funds will be credited to the settlement account of the buying member, unless such amount is the amount payable by such Buyer/buying member.
13. Failure to bring in the balance amount (ie. total obligation less advance payment already made) payable towards the purchase consideration shall attract non-performance compensation as decided and deemed fit by the Exchange. A non-performance compensation of an amount equal to **Allocated Quantity defaulted *DSP * Margin Percentage** shall be recovered from the margin already lying with the Exchange on the net buy positions.
14. The non-performance compensation shall be recovered from the advance payment already paid by the Buyer Member. The non-performance compensation recovered from the Buyer Member shall be utilized to compensate the Exchange and the Seller Member & the Settlement Guarantee fund in the below ratio.
 - a. 30% to Seller Member for the opportunity loss incurred by him
 - b. 40% towards building a Settlement Guarantee Fund.
 - c. 30% to NCDEX Spot Exchange to cover operational expenses

15. There shall be levied on the Buyer non-performance compensation if the Buyer client fails to collect the physical commodity within the stipulated time period.
16. Warehouse charges from the settlement date till delivery shall be borne by the Buyer.

Other terms & conditions.

1. Withdrawal of Funds

- Deposit of funds can be done online.
- Request for withdrawal of funds from the Settlement a/c can be placed online but shall be processed at 2.45 pm everyday.

2. Trading of allocated and settled Lot:

- If Buyer wishes to further trade an allocated lot then member shall check the validity of the said lot and if found within validity period or such period as may be prescribed by the Exchange from time to time, shall lock the lot allocated in the CMS as depositor/holder of the said quantity of commodity.

3. Assaying

- Chana delivered shall be packed in clean, dry, sound, single, new or unmended B-Twill polypropylene bags in merchantable condition and or any other accepted industry standard material with the mouth of the bag stitched disallowing sweating/ spilling. The packaging of Chana should be in standard bags of 90 Kg (Net weight).
- The fresh deposit of Kantawala Chana accepted at NSPOT accredited Warehouse will undergo assaying and if passed for quality as specified, shall have a validity period of 1 month on a date to date basis from the date of physical deposit in the Warehouse.
- For Example:
 - Date of Physical deposit: 22/07/09
 - Date of Sample collection: 22/07/09
 - Date of Assaying: 23/07/09

If passed in the testing as per NSPOT contract quality specification then assayer will issue the assaying certificate mentioning validity as 22/10/09

- Note: No re-validation shall be permitted at the end of such validity period.

4. Settlement

- The net open positions of Sellers and Buyers at the end of the trading day (EOD) shall be due for settlement.
- At the End of every trading day, the net open positions at the EOD shall be matched and allocated for settlement and delivery. ie the Buyer shall have to take delivery and the Seller shall have to give delivery of the physical commodity.
- At the EOD, Members would receive a listing of all trades done during the day as well as net positions based on which member is obliged to pay/receive funds and/or commodities.
- The Buyer shall make an advance payment by way of margin as applicable on the trade date and arrange to settle the balance amount on the T+2nd day.
- There shall be only one consolidated settlement run for funds & commodities i.e. on the T+2nd day.
- The open positions as at the end of the trading hours culminating into sale with physical delivery of commodities shall be deemed to have been concluded at the traded price.
- Seller shall issue an invoice to the Buyer at the Daily Settlement price.

5. Settlement of Levies/Duties/taxes/Shortage/Excess qty/ Grade Premium & Discount.

- The Buyer shall through the CS tracker module furnish client details/ consignee details on the T+1st day between 1.30 pm & 4.00 pm. *(please refer Annexure 2 for time & activity schedule for trading & settlement)*

- The Seller shall through the CS tracker module, furnish all the relevant details between 3.00 pm & 6.00 pm. *(please refer Annexure 2 for time & activity schedule for trading & settlement)*
- The amount due towards levies/duties/taxes & shortage/excess of quantity/grade premium & discount shall be settled at the Settlement price determined by the Exchange and invoices shall be raised accordingly.
- For the purpose, Daily settlement price shall be the volume weighted average price of the whole day.
- Failure on the part of the Buyer to furnish relevant information shall result in settlement of taxes/levies/duties/short qty/excess quantity on the amount indicated by the Seller.
- Failure on the part of the Seller to furnish relevant information shall result in funds settlement of only the basic rate which is the traded price. The Exchange shall not be responsible for the non-settlement of the levies/duties/taxes/short qty/excess quantity and CMSe Lot on account of the failure of the Seller to furnish the relevant details on time.
- Failure on the part of the seller to furnish the grade for premium/discount settlement shall result in settlement of trade without grade premium or discount. The Exchange shall not be responsible for the non-settlement of the grade premium or discount on account of the failure of the Seller to furnish the relevant details on time.
- Participants on the Spot exchange shall comply with the requirements of applicable tax laws / statutory levies /fee and shall have
 - Local sales tax registration of the particular State
 - Local mandi registration license as applicable to them.

6. Premium /Discount

- Premium/discount for multiple quality grades is applicable.
- The basis premium / discount for grade will be settled on DSP.
- No premium/discount for location is applicable.

7. Risk Management- Members are requested to refer to the circular No: NCDEX SPOT/RISK/002/2009/026 dtd January 15th, 2009 for further details.

8. Complaints & Dispute Redressal

- Any dispute arising between the Seller and the Buyer may be referred to the dispute resolution mechanism as put in place by the SPOT Exchange. However such dispute shall be brought to the notice of the SPOT Exchange latest by, on or before the close of market hours of the 3rd day from the date of settlement (pay-in and pay-out) after which the SPOT Exchange shall not entertain any reference in that regard.
- No quantity/quality related issues will be accepted once the Chana has been taken out of the warehouse and no reference complaining on quantity or quality shall be entertained when made after the close of market hours on the 3rd day from the date of settlement or thereafter.
