

NCDEX SPOT Exchange Limited

Circular to all Trading and Clearing Members of the Exchange

Circular No. : NCDEX SPOT/TRADING/021/2010/030

Date: April 05, 2010

Subject: Replacement of existing front end with web based front end module

Trading & Clearing members are hereby informed that existing trading module i.e. Nest Trader and Discrete Market would be replaced by New Web based Trading Module SPOTLITE which can be access by login to <https://trade.nspot.in>.

The members are requested to note that the following credentials:-

- a) The existing Dealer ID in NEST trader can be used to login and trade in SPOTLITE module.
- b) The existing DP user can access the commodity Tracker module.
(<https://cms.nspot.in>)
- c) The existing CM user can access the clearing and settlement module.
(<https://cstracker.nspot.in>)

The members and the participants are requested to take into consideration the following additional new features and changes taking effect:-

- New Trading System SPOTLITE would have single login for all three of NSPOT markets types – Continuous Market, Discrete Market and Auctions Market.
- Funds and Margin Maintenance transactions (such as deposit/withdrawal of funds, margin maintenance) and Entity Management activities such client and dealer/user creation, dealer/user related privileges can be handled by Participant Fund Management (PFM) module available on <https://pfm.nspot.in>.
- Trading Account as well Dealer level Net Exposure Limit - Through the PFM module the member would be able to assign net exposure limit on both the trading account client level as well as dealer level.
- The Funds & Margin ledger reports and trading account level position which were available in the existing cstracker module would now be available in the PFM module.

- User/Dealer Privilege Management - The member can set user/dealer privileges and restrict or provide access to user/dealers to any of the available trading, settlement or commodity tracker module.
- A dealer/user given Super privilege can used as single sign in for all the available modules.

All members are requested to contact Customer Service Group on phone: - 022-6647 3153 / 6647 3154 for any further clarifications.
